

FOREVER GLOBAL RALLY 2016 NOTICE

IMPORTANT INFO FOR FBOs PLANNING TO BRING THEIR CHILDREN TO THE 2016 GLOBAL RALLY IN JOHANNESBURG

New laws mean that you may need additional documentation when taking children in and out of South Africa. Almost all minors entering South Africa will need to provide:

- Valid Passport
- Unabridged Birth Certificate for the child
- If not travelling with both parents, then a legal Parental Consent Affidavit is required.

Please be advised your family will need to be prepared with all of the required documentation prior to your trip. We recommend you take action as soon as possible. For the full details, click [here](#).
