

# Sonya™ illuminating gel

## Make your skin glow

- Evens skin tone
- Brightens skins' overall appearance
- Reduces the appearance of large pores

Your recommendation won't be the only thing that's glowing after you see how our new illuminating gel gives your skin a natural glow.

Younger skin has a natural radiance and light to it. Backlight your skin with our **illuminating gel** to help restore its natural brilliance. Encapsulated peptides in our quick absorbing gel help deliver the latest skin technology to help even out skin's overall appearance.

Licorice root and a unique blend of green and brown algae is known for helping to even skin tone and blur the appearance of age spots. This algae blend is paired with liposomes to ensure the benefits get delivered to your skin right where they are needed. We also utilized red clover flower extract to help reduce the appearance of large pores.

Another reason this is not like anything available on the market is a unique collection of five Asian botanicals: scutellaria baicalensis root, glycyrrhiza glabra root, morus alba root, artemisia capillaris flower and zizyphus jujuba fruit. These oriental plants are known for their ability to even and brighten overall skin tone.

Your improved skin will reflect a soft, smooth texture and emit a healthy glow with envious results.

Control oil and deliver moisture where your skin needs it most with **Sonya™ daily skincare system.**

**Ingredients:** Aloe Barbadensis Leaf Juice, Aqua, Propanediol, Caprylyl Methicone, Niacinamide, Cetearyl Oliviate, Sodium Acrylates Copolymer, Butylene Glycol, Sorbitan Oliviate, Trifolium Pratense (Red clover) Flower Extract, Scutellaria Baicalensis (Scullcap) Root Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Morus Alba (White mulberry) Root Extract, Artemisia Capillaris (Wormwood) Flower Extract, Zizyphus Jujuba (Jujube) Fruit Extract, Dicrateria rotunda oil, Ruttnera Lamellosa oil, Lecithin, Hydrogenated Lecithin, Acetyl Diipeptide-1 Cetyl Ester, Oligopeptide-68, Isopentyldiol, 1,2-Hexanediol, Caprylyl Glycol, Citric Acid, Phytic Acid, Ascorbic Acid, Ethylhexylglycerin, Caprylhydroxamic Acid, Sorbitan Laurate, Sodium Oleate, Disodium EDTA, Hydroxyethylcellulose, Phenoxyethanol, Potassium Sorbate, Sodium Benzoate.

**NET WT.**  
28.3 g

### DIRECTIONS

After cleansing, gently massage a small amount over entire face for a radiant glow. For best results pair with refreshing gel cleanser, refining gel mask and soothing gel moisturizer. Use twice daily in the morning and evening on the face and neck after cleansing.

**Warning: Avoid contact with eyes. In case of irritation, rinse thoroughly with water. If irritation persists, discontinue use and consult a physician.**
