Look better, feel better.

The Aloe Vera Company

FOREVER®
We are proud to be the largest grower and manufacturer of aloe vera and aloe vera products in the world. Because we love Aloe, we treat the 50 million plants in our plantations a bit differently.

Unlike our competitors who use bulky equipment, our Aloe is nurtured, harvested and filleted by hand to delicately extract the potent inner leaf gel within hours and provide you with the purest, freshest aloe vera gel just as nature intended.

Our aloe vera products were the first to receive the International Aloe Science Council’s Seal of Approval for content and purity.

These are just a few of the reasons that we are The Aloe Vera Company!

If there’s one thing Forever knows, it’s aloe vera. In fact, we consider ourselves to be the Aloe experts.
POWERFUL INGREDIENTS
We have dedicated ourselves to seek out nature’s best sources for health and beauty and share them with the world. At Forever, we combine pure aloe vera with natural and scientifically advanced ingredients specially selected to complement and enhance the benefits of aloe.

The versatility of aloe vera means it can be combined with different ingredients to be used many ways to help you and your family look better and feel better.

FROM PLANT TO PRODUCT TO YOU
From the moment our Aloe is planted in the ground until it reaches your hands, we control the process. This plant to product to you philosophy ensures that we can control how our aloe is grown and harvested, manufactured and packaged, to ensure you receive the highest quality at the best available cost.

The passion we have for Aloe and our products can be seen throughout our facilities where we continually invest in the latest technologies and equipment to ensure we stay on the cutting edge of manufacturing, quality testing, packaging and distribution.

HONEST PRACTICES
Doing things the right way is the cornerstone of who Forever is and has been for more than 40 years. We hold ourselves to a higher standard. Not because it’s cool or trendy or someone told us we had to do it that way, but because we believe it’s the right thing to do. Forever does not test its products on animals and many of our products feature the Kosher and Halal Seal of Approval.

We’re so confident that everyone will love our products that we offer our customers a 30 day money back guarantee if they are not completely satisfied.

Millions of people in over 160 countries around the world have experienced the amazing benefits of aloe vera. What are you waiting for?

FOREVER GARCINIA PLUS®
The garcinia cambogia fruit contains hydroxycitric acid, a compound that has been shown to temporarily inhibit the body’s conversion of carbohydrates into fats. Instead of storing the fats, the body will burn calories from the existing fat store, helping you meet your weight goals. Studies suggest garcinia cambogia also helps with appetite reduction. On top of this popular Asian fruit, we added chromium picolinate, which if deficient, can cause fatigue and excess fat production. Contains soy.

FOREVER LEAN®
No matter our goals, once in a while we all eat something we wish we hadn’t. We extracted the forgiving power of Indian fig, a unique fiber, high in antioxidants that binds to fats. We then added the powerful white kidney bean, which temporarily inhibits the body’s absorption of calories from sugar. Finally, a supplement that temporarily helps block absorption of some of the calories you’ve eaten.

EPIBLEANC®
While you may not tell anyone your age, your skin might be telling on you. Uneven skin tone, dark spots and blemishes can make skin appear older than it really is. Improve the appearance of your complexion and even out your skin tone. Our 100% Stabilized Aloe Vera gel is the natural base of this formula with vitamin E and natural botanicals, like rumex occidentalis extract - a plant native to the Pacific Northwest known for its skin evening properties.

R3 FACTOR®
SKIN DEFENSE CREME
Retain, restore, renew. Alpha hydroxy acids, also called fruit acids, exfoliate and loosen dead skin cells by dissolving the natural glue-like substances that allow dead skin cells to cling to the surface for far too long. So getting rid of these allows the other ingredients, vitamin E, retinyl palmitate and soluble collagen to go to work on restoring skin’s moisture and renewing its appearance.

USING THE BEST OF SCIENCE AND NATURE
If your skin needs extra care, reach for Aloe Vera Gelly. Essentially identical to the inner leaf of the aloe vera plant, this 100% stabilized aloe vera gel soothes and lubricates sensitive skin. For temporary relief from minor skin irritations, this is ideal for your bathroom as well as your first-aid kit. Once applied, you’ll be saying ahh-loe vera because it feels that good.

ALOE MSM GEL
MSM is an organic sulfur compound and the third highest mineral in our body. Combine that with pure, stabilized aloe vera, vitamin E and plant extracts and you have a soothing gel. Aloe MSM Gel includes rosemary leaf extract, a skin conditioning agent that draws water to the skin. Quick to be absorbed, this gel is easy to apply but hard to put down once you’ve felt its soothing relief.

ALOE PROPOLIS CREME
A well-loved, flagship product because it features our two prized ingredients: aloe vera and bee propolis. Bee propolis is a resinous substance bees use to fortify and protect their hive. More important than a hive is your skin, which needs protection and a natural barrier to help keep moisture in. One sniff of Aloe Propolis Creme and you can tell it’s filled with herbal and botanical ingredients like chamomile. This thick balm is also filled with vitamins A and E.

ALOE MOISTURIZING LOTION
This thick, velvety lotion does more than just moisturize. It helps with skin’s overall feel and elasticity because of its collagen and elastin. This jack-of-all-trades lotion is versatile enough to apply to troubled spots, your entire body, or even gentle enough to use on your face before applying makeup. Vitamin E, oils and chamomile extract all help replenish lost water and maintain your skin’s natural pH balance while keeping it silky, smooth and soft.

FOREVER ALOE SCRUB®
Unlike some scrubs that use sharp, harsh ingredients like crushed nuts, fruit pits or plastic microbeads we use microspheres of jojoba which roll over your skin gently. As they roll, they pick up dead skin cells clearing the way for fresh, newer skin below. Gentle enough for everyday use, this fine scrub helps remove debris that clogs pores and dulls skin appearance.
ALOE HEAT LOTION
A perfect yin and yang, this muscle soothing cream has heating agents as well as cooling aloe vera gel. With a bright minty smell from menthol and eucalyptus, this pH-balanced lubricating lotion, that contains three oils, is excellent for deep massage to soothe tired muscles. Even though it’s quick to absorb, the tingling heat lingers long after the massage is over.

With additional botanicals like rosemary and chamomile, Gentleman’s Pride® helps the skin feel like it’s never been shaved. We’ll go wherever the finest quality ingredients are and in the case of lavender, that is Bulgaria due to its ideal climate and soil. Thanks to its excellent growing conditions, our lavender has high levels of linalyl acetate—the principal component of lavender. While there are many uses of lavender, it is especially powerful for its calming, soothing and relaxing effects.

Because we’re based in the Southwestern USA—we know our citrus. Long before it becomes an oil, the lemon trees are being tended to by hand. After being gently plucked, they are cured until they reach peak ripeness, which gives you the highest quality essential oil.
