Un-Break Your Resolution

If there was a way to measure the number of un-kept New Year’s Resolutions, what do you think that number would be?

Think of all of the unused gym memberships, broken diets, budgets forgotten and new hobbies that have been quickly cast aside. Why does that happen? Why are so many of us in such a hurry to get right back to where we started?

We’ve all missed resolutions – that’s the wonder of life, each January we get a clean slate to decide what we want to do differently and how we want to be better than last year. Successful people do something that others don’t. They believe. We’ve all heard the Henry Ford quote, “whether you think you can, or think you can’t – you’re right.” That’s one of the things that makes Forever so magical to those who are willing to work hard.

Forever gives ordinary people the opportunity to live extraordinary lives if they believe they can and commit to doing things differently. You get to be the author of your own story and decide how it ends. Think of how powerful that is!

As you plan your year and set out your resolutions, ask yourself what you’re truly willing to do differently to accomplish your goals. Then do it and stick to it! Only you can decide if this year will end differently than those that came before. Set your sights on Chairman’s Bonus, join us at next year’s Global Rally at an amazing destination around the world or help more customers by sharing your favorite products – it’s up to you!

You have everything that you need to be successful. I can’t wait to see everything you can accomplish in the New Year!

Forever Yours,
Rex Maughan
CEO

YEAR END PARTY
Forever Glamour!
The essence of all art is to have pleasure in giving pleasure.”

by: Carlo Joshua Caballes

Being chosen as one of the host of the event was something I never imagined doing in Forever. Yes, like what Dale Carnegie said.

"I am a man who finds pleasure in giving pleasure to others".

Hosting an event is challenging as it is always not easy to please everyone. Thankfully with God's grace all went so well, the event was a blast. The program was fast and that's how it should be. The FBOs were dressed glamourously.

The program started with an opening speech of Mr. Khaled Khayati - Director of Operations Middle East. It was followed by Butterfly Dance performance. Allan Nielsen delivered an inspiring testimonial. The Hall was filled with excitement & surprises. It was great to see all nationalities and new guests in the event.

All the achievers from the Assistant Supervisor level to Soaring Manager Level & the Top 10 qualifiers in the Middle East (Income & CC as of November) were recognized on the stage. Plaque for Earned Incentive Qualifiers were presented & Potential Qualifiers for the Global Rally were also announced.

Black Swan & Spanish Dance performances were mind blowing. Karen Brady gave an Inspiring Testimonial after the dance performances.

Forever Middle East introduced a new Incentive “Forever Middle East Leadership Team - MELT”. Big cheques were amazingly inspiring, making everyone hungry for more CC not to mention the New Incentives. Everyone was so excited and the smiles and laughter were just so priceless.

For me, this event always makes a good impact. It is one of the basic needs of human kind to be recognized for one’s effort making us strive for more, work better, and do the best we can. The Year End Party was made exclusively for Forever Business Owners. The event ended with picture takings, lots of dancing & satisfying dinner. Everyone left the room with smiles on their faces! It was one memorable day that everyone will carry with them FOREVER.

God bless Forever Living Products and God bless all Forever Business Owners! BOMBASTIC 2016 as what the Diamonds always says.
Forever Living Products (FLP), a leading multi-level marketing company that manufactures and sells aloe vera-based drinks and bee-derived cosmetics, nutritional supplements, and personal care products, recently inaugurated its new AED 1 million office and training center located at I-Rise Building Tecom, Dubai. The new facility, which will serve as the company’s new Middle East headquarters, will play a key role in FLP’s continuing move to reinforce its regional distribution of its diverse portfolio of Nutritional Supplements, Personal Care, Weight Management, Sports Performance, Skincare and Cosmetics.

According to Khaled Khayati, Director of Operations, Forever Living Products – Middle East, the opening of FLP’s new headquarters complements its successful performance in 2015—posting an annual turnover of more than AED 70 million and a growth of 65 percent. FLP has been in the region since 1999 and the presence of the new Dubai headquarters will serve as the company’s regional hub, which consolidates its operations across UAE, Qatar, the Kingdom of Saudi Arabia (KSA) and Kuwait, and future expansion in Oman, Jordan and Bahrain for the 1st quarter of 2016. The ambition is to
penetrate other potential countries around the Middle East and the ultimate goal is to be the number one globally in terms of sales and expansion.

The opening of this new AED one million facility, which will serve as our new corporate headquarter in the region, demonstrates our upbeat attitude towards the Middle East. The region continues to show stability and strong economic growth, complete with strong infrastructure and a highly attractive business friendly environment.

The Forever Living Products portfolio proves to be highly attractive to Middle East consumers, who have strong purchasing power and have preferences for leading global brands like FLP because of high quality and international standards brand value. We are confident that this new office will play a significant role in our continued growth in the region and abroad.

FLP is regarded as one of the longest running and largest network marketing company in the Middle East. The company, which is a member of the Direct Selling Association in Dubai, is also the largest importer of health foods into the UAE, as per the Department of Economic Development (DED).

The new headquarters is part of our strategy to position FLP as a world leader that has synergistic operations in the region. With the entry of 2016, we are looking towards driving in more growth and revenue through the adoption of a new corporate structure that can address emerging challenges and opportunities. It will surely be an exciting year as we will be launching new products, catering especially to the Middle East consumer, and improve sales effectiveness through the launch of our online shopping that will ensure the further promotion of our brand and products. - Khaled Khayati

The Year End Celebration Theme was a Country “Affair”...

The venue was a beautiful Gold and white trimming. With FLP Kuwait. it is never too late to educate oneself for developed life long skills which gives one the ability in determining their own destiny leveraged by someone else.

The Voice Over and welcoming words were read by Assistant Manager Reginald Doswell, while introducing Manager Mark Sulapas and Supervisor Regan Laconsay as the MC’ for this wonderful event. Now let us get started...

The event began with the Manager's march in accompanied by our GCC’s.

New Director of Operations, Mr. Khaled Khayati followed by our Country Sales Manager, Mr. Elizer Salvador. The Managers and Guest were welcomed with overwhelming expressions of gladness. Before the Managers and guest returned to their seats all FBOs said in unison the FBO pledge.

The Host for this event Manager Sibu Kumaran extended a warm and wonderful welcome to our distinguished guest as the which ignited a ray of delight in the hearts of many friends and guest. And now, let the night begin.

Change the face of Kuwait is what our New Director of Operations is bringing to the table as he addresses each FBO with the time changing future about to take place within the four walls of Kuwait. It has already proven successful in Dubai. So let us embrace this opportunity with both hands and reach for the stars.

Wow!! What perfect timing for this song rendered by Assistant Manager Reginald Doswell. Change the World by Eric Clapton.

At every Success Day, it is only right that the FLP GCC reaches to the many different locations within the GCC to enhance the ability of each FBO with tools to expand their belief as well as their ability to become a better person when it comes to Relationship Marketing. Information to launch each hungry FBO’s into a brighter future for their business. Can you think of anyone better in the GCC to guide us up the path of Network Marketing knowledge other than, our very own Country Sales Manager, Elizer Salvador. During the evening of 3rd Dec 15, a select few of FBO’s attended the Leadership training where They were given tools on how giving a presentation without running anyone away. When using the proven system to attract new potential FBO’s, The effectiveness of your presentation is the key to attracting potential new FBO’s. Do not be afraid of no’s. No’s help you grow and fine tune you approach skills.

During the Success Day training, Elizer touched on the subject of drinking coffee and the effects it attacks the adrenal glands draining our energy level. He shared with all of us the five (5) basic products to use instead of drinking as a quick pick me up solution. Thank You Sir. Elizer Salvador. With love, FLP Kuwait.
New Assistant Supervisor Shaik Naweed shared with his fellow FBO’s of the benefits he received from using the products and why he has been able to recommend them to his friends without fail.

Ok!! Raffle time. Alright!! We have some winners.

New Assistant Manager Hussain Tarmaster Shared his journey from New FBO to in for life FBO. Never has one shared so much passion for seeing an opportunity which can change peoples lives if they follow the system set up for them

Now the moment we have all been waiting for. It is “Recognition” time.

The pins recognized were as follows;
Assistant Supervisor, Supervisor, Assistant Manager
4CC Levels 1 and 2. Last but not least out top ten (10) distributors.

OK!!! Another raffle with a few more winners. No!! Not me.

Another song was rendered by a young angel ...

Wow!!! What a voice.

Our GCC Sales Manager, Elizer Salvador aimed at the core of every heart driving the importance of using your own products. The message was loud, clear and correct. When you are using your own products and brand (X), you hurt your own self. Set a positive example for your fellow FBO’s.

If you do not remember anything else he conveyed to you, remember this. If you want to move to the top of the list as best achievers in the GCC, do something about it. You see! It is doable. It is simple, and it is yours if you claim it.

The Torch of responsibility was passed by our GCC Sales Manager picked from the raffle bowl for the last time the next Success Day event will be hosted by Manager Fuad. He was happy to accept.

Final remarks were made by both the outgoing and upcoming host. And the meal!!! Wow!!! Fantatic.

A special thanks to Assistant Supervisor for assisting as sound systems Technician, Manager Fuad and Assistant Manager Adnan Mahasna for their unselfish dedication of translation to those in the Arabic community who understand English.

This is FLP FBO’s of Kuwait saying Good Morning!!!
We Are Forever. Happy New Year…
FLP-Jeddah’s Year-End Party & Recognition Night

By: Jerome Balobalo

Jeddah is a city of sun and sand, which is located on Saudi Arabia’s western coast of the Red Sea. People here are called Jeddawis. It has two major gates to the two Holiest City in Islamic Religion the Bob Makkah and the Bob Madinah. Except for the locals who’s living here and enjoying the good sunny weather Jeddah is also called home for different expats because of its amazing culture and traditions. Jeddah is the second busiest city in the Kingdom next to Riyadh. The business here has a very high potential in this part of the Kingdom because of its people. Jeddah will be famous in the coming years once the tallest building in the world arises. Currently Jeddah is holding the Guinness title of the tallest fountain and tallest flagpole in the world. Who knows Jeddah will be known too in FLP community because of the Case Credits someday.

It was time once again for the FBO’s of Jeddah to be in their best clothes as we gathered the much awaited Year-End Party and Recognition Night. The event was held last November 13, 2015 at the Orchid Ballroom of Jeddah Marriott Hotel. The program proper starts right after the Maghrib Prayer with the entrance of the Country Sales Manager followed by the western region Managers. The event was hosted and emceed by the very witty Mr. Benny Tadili. The event promised to be a sure hit when one of Jeddah’s finest leader Mrs. Veronica Bolinao gave her Welcome Remarks to all FBO’s in attendance. Followed next was the video showing the highlights of the Eagle Managers Retreat in Mexico last September 2015 that was attended by hundreds of Eagles from all parts of the world and some of them are from the Eastern Region of KSA.

Then, as a way to draw inspiration from the perspiration of a successful FBO’s, the assembly welcomed Mr. Mohammed Al Sayed into the hall for his Business Testimony in Arabic and translated in English by Dr. Abdul Hakim Al-Hashimi. Along came a product testimonial from Dr. Osama Fazlullah Zakir, who shared to his listeners the potency and efficacy of FLP food supplements in restoring the well being of individual. After a series of testimonials, the crowd was liven up by a raffle draws headed by FLP-Jeddah’s PRO Mr. Mansur Al-Ghamdi. Then, as is traditional in any FLP-event Country Sales Manager did his assigned part by sharing tips in doing the FLP business successfully. After a presentation of Mr. Salvador a short break for Isha Prayer to give way to our Muslim Brothers and Sisters to practice their faith.

The special ingredient of this event was the awarding ceremony for the hardworking FBO’s. As the most awaited portion of the program came, the recognition proper for new Assistant Supervisors, Supervisor and Manager were accorded their much deserved honors. The top 10 in the region and the Middle East were also called. The awards were handed in by Mr. Salvador. For the motivational speech our New Director for Operations in the Middle East Mr. Khaled Khayati appears on the screen thru skype and everybody were surprised with his special appearance. It is first time in any FLP-ME that a speech was virtually happens and we are so proud.
that it happened in Jeddah thanks to
the technology that even we are apart
we can be closer. Mr. Khaled’s speech
gives hope to everyone that Jeddah will
be better in the coming days.

To formally close the whole affair, the
dashing Ms. Paraluman Sara Atienza
ascended to the stage to deliver her
closing remarks as she said another year
has passed and let us hope for a better
2016 to everyone. After the program
and photo opt a sumptuous dinner was
served at the Al Bassateen Restaurant in
the hotel lobby.
