

Aloe Moisturizing Lotion

Weather, wind and pollution – day in, day out, they take their toll on your skin. Now you can fight back with our exquisite Aloe Moisturizing Lotion.

This unique lotion has outstanding humectant and moisturizing properties. It contains Collagen and Elastin to keep the skin smooth, soft and elastic while maintaining the skin's natural pH balance. Thicker than our Aloe Lotion, it is ideal for replenishing lost moisture and restoring skin's soft, silky feel. Aloe Moisturizing Lotion is excellent for face, hands and body, helping to counteract the effects of pollution and the environment. Once the lotion has been smoothed on and absorbed into the skin, makeup can be applied as usual.
